THIS MATTER is before the Court on a Joint Motion to Modify the Rule 16 Scheduling Order as it Concerns the Limitation on Requests for Production [Doc. 171], filed on February 8, 2013. The parties ask the Court to replace certain language related to requests for production. The parties wish to delete the following: “Each party may propound no more than 100 requests for production, irrespective of the recipient.” They ask to replace it with: “Each party may propound no more than 100 requests for production to any other party.” All parties agree to the change.
